### Basic Cream Cheese Frosting

Servings: 1 | Time: *10 minutes* | Difficulty: *Easy*

---

#### Ingredients:

- 8 ounces cream cheese, softened
- 1/2 cup butter, softened
- 2 cups of confectioners' sugar
- 1 tsp pure vanilla extract

#### Instructions:

Combine all ingredients in an electric mixer and beat on medium speed until fully combined. (When working with the confectioners' sugar, make sure to start beating slowly first, then beat on a higher speed until well combined)
